NOTE: Different than title sheet.

See Note 2

If Caltrans Landscape Architect to sign individual plan sheet, use the cell sheet border (AC=LAND). Consultants use (AC=LAND2).

NOTES: (These notes apply to all Contract Plan Sheets)

1. The signature of the appropriate licensed Landscape Architect who is in responsible charge for developing the content of the plan sheet is to appear on each individual plan sheet. The border shown here is border sheet cell "LAND" found in the latest Caltrans Cell Library (CTCELLIB.cel). A second signature of the same licensed Landscape Architect is to be inside the seal, resized to fit. For title information about title sheet sealed by a Landscape Architect, see Title Sheet Example A-1.

2. Text Inside the Seal:

   Use FT =3, TH = 5, TW = 5 and WT = 1 for date of renewal and date of signature. Use FT = 3, TH = 3, TW = 3 and WT = 0 for printed name and license number that is arched above the signature within the seal.

3. Use FT=3, TX=7, WT=1, LV=10, CO=0. Examples: 10-8-12, 4-16-12. The date of the landscape architect's signature is never to be later than the plans approval date. See Title Sheet, Examples "A" and "C" for explanation of how the plans approval date is determined. The date is in a different format than for the Title Sheet (see Title Sheet Example "D").

Used by district for tracking design changes after initial "calculated-designed by" and "checked by" has been completed. Used if design changes have been made. Dates are never to be later than Plans Approval Date.
