FOR IMMEDIATE RELEASE

Angeles Crest Highway (SR-2) Closed in Angeles National Forest

ANGELES NATIONAL FOREST – The Angeles Crest Highway (SR-2) will remain closed between Islip Saddle (intersection of SR-2 and SR-39 or 43 miles east of La Cañada Flintridge) and Big Pines Road until early August 2015 due to rock slides and roadway damage caused by this past weekend's storms. The California Department of Transportation (Caltrans) has assessed the damage and is in the process of hiring a contractor to repair the highway.

Motorists, cyclists, and pedestrians should consider alternates routes, as this section (18.3 miles) of highway is off-limits to those without permitted access. Trespassers are subject to potential citation or arrest by law enforcement.

Remember to ***Be Work Zone Alert***.
