MANDATORY PRE-QUALIFICATION CONFERENCE: A Mandatory Pre-Qualification Conference will be conducted on November 21, 2013 beginning promptly at 10:00 a.m. Only general contractor bidders who participate in the Conference in its entirety will be allowed to submit prequalification documents and, if prequalification is achieved, bid on the Project as general contractors. Participants must arrive at or before the above-specified time. Persons arriving later than said time will not be allowed to submit prequalification documents or submit bids as general contractors. Participants shall meet at Capital Programs Building, 1060 Veteran Avenue (follow signs to the meeting room), UCLA campus (refer to the online UCLA Campus Map at www.ucla.edu/map). December 10, 2013 at 3:00 p.m.

NOTE: Only hard copy submittals will be accepted. Oral, telephonic, electronic mail (e-mail), facsimile, or telegraphic Prequalification Questionnaires are invalid and will not be accepted. Only University's Prequalification Questionnaire (and associated documents) will be accepted. University reserves the right (but is not obligated) to request, receive, and evaluate supplemental information after the above time and date at its sole determination.

Any person or entity not satisfied with the outcome of the prequalification must file a written notice challenging the outcome within 10 calendar days from the date of the University's written notice regarding prequalification determination as further detailed in the Prequalification Questionnaire. Any assertion that the outcome of the prequalification process was improper will not be a ground for a bid protest.

The dates, times, and location set for receiving and opening of bids will be set forth in an Advertisement for Bids.

The University reserves the right to reject any or all responses to Prequalification Questionnaires and to waive non-material irregularities in any response received.

All information submitted for prequalification evaluation will be considered official information acquired in confidence, and the University will maintain its confidentiality to the extent permitted by law.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the Bidding Documents and to pay prevailing wage at the location of the work.
