SR-82 (EL CAMINO REAL) PROJECT

FROM LAWRENCE EXPRESSWAY TO SR 82/85 SEPARATION

Beginning, late August 2012, the California Department of Transportation (Caltrans) will grind and place hot mix asphalt on the southbound direction on El Camino Real (SR-82) in Santa Clara County. The northbound project will start in summer 2013.

The road work will be conducted in the cities of Santa Clara, Sunnyvale and Mountain View from Lawrence Expressway to approximately .4 mile west of SR-85 separation or Bay Street in Mountain View.

In addition, the project will modify or replace street loop detectors and other electrical systems, replace thermoplastic traffic stripes and pavement markers.

CONSTRUCTION ACTIVITIES:

- Construction will be conducted mainly during the evening hours. Work will normally start around 10:00 p.m. and end before 7:00 a.m. on weekdays. Construction message signs will be installed in early August.
- Ramp closures will occur Monday through Sunday during the evening hours, but can extend to later morning hours on the weekends. Message signs and detour signs will be posted to assist motorists traveling through the project area.
- Construction noise will be unavoidable; however, it will be kept within approved construction noise levels.
