## Open House-Informational Meeting

**January 29, 2014, 5:30 PM – 8:30 PM**
**San Mateo City Hall, Atrium**

The California Department of Transportation (Caltrans) will hold an Open House–Informational meeting to present the proposed State Route 92-82 Interchange Improvement project to the public. The project proposes to modify the State Route 82 (El Camino Real) and State Route 92 interchange to reduce traffic congestion, bottlenecks, weaving and queuing spillback at the interchange on and off ramps.

Caltrans has filed a Notice of Completion with the California State Clearinghouse to prepare an Initial Study with a proposed Negative Declaration (IS/ND). Caltrans has studied the effects this project may have and finds that the project will not significantly affect the quality of the environment. The Open House-Informational meeting will be held to provide the public an opportunity to view the scope of the project and provide comments. Representatives from the City of San Mateo and the Caltrans project team will be in attendance to accept your comments and discuss the project. Map displays will be available for viewing along with comment cards for the public to provide input.

Written comments on the Draft Environmental Document will be accepted until February 15, 2014. Please send comments to: Yolanda Rivas, District Branch Chief, Office of Environmental Analysis, California Department of Transportation,111 Grand Avenue, Mail Station 8B, Oakland, CA 94623-0660; by Fax: 510-286-5600; or by E-mail: Yolanda.Rivas@dot.ca.gov
