To Henry Wells
ADR Specialist

Per our discussion at the DRA Workshop in Sacramento on Nov. 15 , 2007, I am interested in serving as a Dispute Review Advisor and I am submitting my resume per your request.

Subject:
Resume for Bob Biffel, CE 24560, Tr. 526

I am a retired State Engineer, having worked a total of 37 years for Caltrans. In the past, I have served on 2 or 3 Dispute Review Boards and attended several training sessions in the 1995 -1998 period . Then I worked on the R.E. Academy in 1999 and 2000. I began on DRBs again in 2005 and am currently involved with 2 DRBs.

My last active work was as a Construction Field Coordinator for the Office of Construction. During this assignment I worked with Districts 3, 6, 8, 9, 10, and 11.
At one time for about a year, I had 5 districts. I served this function as a Supervisory Engineer for almost 5 years.
All prior service was in District 10. The last 6 years I was a Branch Chief. : Project Planning for about 2 years, Design about 2 years, and Construction about 2 years. Prior service grades ranged from Engineering Aid 11 thru Associate TE.

The 37 years experience breaks down to 6.5 years in Project Development, 6.5 years in Transportation Planning and 24 years in construction.

Disclaimer:

I have never worked for any Highway Construction Co. or Supplier , and have no stock or ownership with Companies who do business with Caltrans.
