SUMMARY OF EFFORTS TO IDENTIFY DBE, MBE, AND WBE SUBCONTRACTOR'S

1. On 01/20/2014 @ 11:30 am I Got onto the internet and visited the Small Business Administration website (www.sba.gov). I searched the site looking for a list of potential certified DBE, MBE, and WBE Subcontractor's. I found no such list on the SBA website so next I decided to try and find the contact information for the local SBA Assistance Office in the Fresno area. I searched all of the site pages and found the contact information for the local Fresno District SBA Office staff and printed it. I plan to call the Administration Office to find out whom I need to talk to about finding local potential minority Subcontractor's certified as a DBE, MBE, or WBE firm.
2. On 01/20/2014 @ 11:45 am I Visited the Minority Business Development Agency website (www.mbda.gov). I searched the site looking for a listing of potential Minority Subcontractor's or a way to search a database full of certified minority Subcontractor's however, was not able to find any sort of search or list on the site. I decided to try and find the contact information for any local MBDA Office that might be in the area. I found the look for location page and after entering our location a map came up with a few local office locations. I selected the closest office location and clicked on the Contact Information tab. I printed out the contact information for the local MBDA office site. I will use the contact information to call the local office to try and get further help on identifying Certified Minority Subcontractor's in our local area.
3. On 01/20/2014 @1:15 pm I went on to the Google search site online, and typed in "California DBE, MBE, and WBE Subcontractors" in the search bar. I then went through the top ten websites looking for any potential Minority Subcontractor's but I was not able to find any new contacts that I didn't already have on my Minority List.
4. On 01/20/2014 @ 1:37 pm I decided to go ahead and visit the California Department of Transportation website (www.dot.ca.gov). I started searching around the site looking for a list of potential minority subcontractor's. I found a reference to a list on the Business Enterprise Program page of the website. I clicked on the CalCert Database link and was taken to a page where I could run a search query for certified minority Subcontractor's. I began entering the pertinent information into the search form and ran multiple searches for minority subs. I was able to search and find the contact information for many qualified and certified local minority DBE, MBE, and WBE Subcontractor's. I printed the list containing the contact information for certified minority subcontractor's that I could solicit for an estimate. I will use this printed list to solicit to Subcontractor's in the area on the list that are capable of completing the scopes of work that we will be subcontracting out on this project.

SUBCONTRACT PROPOSAL PROVISIONS

A. PAYMENT TERMS - Monthly progress payments shall be made to Viking within 10 calendar days of payment to CONTRACTOR by OWNER. If releases are required by CONTRACTOR as a condition of payment, they shall comply with the relevant California Civil Code and CONTRACTOR shall notify Viking in a timely manner so as to not delay payment. Should CONTRACTOR fail to notify Viking of each release or other document required within 5 calendar days after payment to CONTRACTOR by OWNER, furnishing each such document shall not be a condition of payment. Accounts past due shall bear interest at the rate of one and one-half percent (1-1/2%) per month.

CONTRACTOR may reduce each progress payment to Viking by the same percentage as the OWNER's reduction in payment to CONTRACTOR. This retention rate will not be greater than the OWNER's retention rate to CONTRACTOR. Any retention so withheld shall be paid to Viking within 30 days of substantial completion of Viking's work.

No backcharges will be accepted by Viking if Viking is not given prior written notification and the opportunity to correct any alleged deficiencies with its own forces.

When extra work is paid on a time and material basis, Viking shall be paid all markups for profit and overhead allowed by OWNER except for any additive markup allowed by OWNER specifically to compensate CONTRACTOR for Viking's work.

Prices include sales and other taxes unless otherwise stated in the Special Provisions of this proposal.

Payments shall be made for actual quantities furnished and installed if so specified by the GENERAL CONTRACT. CONTRACTOR shall cooperate in making determination of these quantities if required.

This proposal may be withdrawn if CONTRACTOR cannot, to the satisfaction of Viking, demonstrate its ability to finance the work and make payments in accordance with this proposal. CONTRACTOR shall provide Viking copies of all payment and performance bonds and building permits and any other information necessary for Viking to submit Preliminary 20-day Notices.

B. SCHEDULE - The prices proposed are based upon receipt of a written notice to proceed 5 days prior to commencing work, unhindered access to the work area, and working 8 hour per day and 40 hour per week shifts Monday through Friday except as modified by the specifications of the GENERAL CONTRACT. Viking shall be compensated for any additional costs due to special shift work if required by CONTRACTOR.

Work shall be completed in conformance with an agreed upon job schedule. The job schedule shall be approved by Viking prior to commencement of work.

Viking's liability for liquidated damages and costs for delays to the contract shall be limited to the extent that OWNER deducts such costs from CONTRACTOR's account and to the extent that Viking is solely and directly attributable for the delays.

C. INDEMNITY and INSURANCE - Viking and CONTRACTOR shall indemnify, defend and save harmless each other and each other's officers, directors and employees from and against any suits, actions, legal or administrative proceedings, claims, debts, demands, damages, liabilities, interest, attorney's fees and other costs whether they arise before, during or after completion of Viking's work to the extent that they are due to any act or omission of the indemnifying party or any subcontractor thereof, or of any officer, director or employee of the indemnifying party. The same shall include injury or death to any person or persons and damage to any property.

Viking shall provide standard general, automobile, and employer's liability and workers' compensation insurance covering its operations in the amounts required by the GENERAL CONTRACT. Viking will provide an Additional Insured endorsement (CG 2010 0704 or equivalent) covering CONTRACTOR. Viking excludes Railroad Protective, Course of Construction, Installation Floater, Pollution and Professional Liability insurance. Costs for additional coverage or special requirements shall be reimbursed to Viking by CONTRACTOR.

D. BONDS - Viking will furnish payment and performance bonds if requested by CONTRACTOR. Premiums to be paid directly by CONTRACTOR.
