FOR IMMEDIATE RELEASE

NIGHT CLOSURES FOR STATE ROUTES 99 SCHEDULED FOR NEXT WEEK

The California Department of Transportation (Caltrans) in cooperation with Papich Construction, Inc. announces nightly lane closures of northbound State Route 99, between State Route 198 and Betty Drive in Goshen, within Tulare County. These closures are part of the current State Route 99 Tulare to Goshen-North Segment Widening Project and are necessary for new highway construction.

Night-time lane closures will be as follows:

#1 lane (left lane) of Northbound State Route 99 between State Route 198 interchange and Betty Drive in Goshen will be closed on Sunday night, April 13th, 2014 through Friday morning, April 18th, 2014 between 7:00 p.m. to 6:00 a.m. each night for highway construction.

California Highway Patrol (CHP) will be on site assisting with traffic control. Closures may continue for longer periods of time if necessary, due to delays caused by uncontrollable events that may occur during construction.

For updates and information regarding lane closures, commuter alerts and construction schedules during the length of this construction project, visit the Caltrans District 6 website, at **www.dot.ca.gov/dist6** and click on the Tulare to Goshen logo.
