Dear Colleagues:

Attached, please find SLOCOG's **Amendment #3 (Administrative 07-03)**. Per SLOCOG's 2007 TIP, the San Luis Obispo Council of Governments (SLOCOG) Executive Officer is authorized to approve minor amendments as described on page 15 of the SLOCOG TIP and further described in Appendix A-4 of the SLOCOG TIP.

Amendment #3 shifts CTC allocated federal funds from fiscal year 2005/2006 to 2006/2007 to ensure those funds can be authorized in the current fiscal year. Project number #21350000000 is a lump sum entry currently in the 2007 TIP. A back up list was provided at the time of submittal of the 2007 TIP. This project record is modified to technical corrections and minor amendments to the back up list for both active and inactive TEA-21 RSTP State Exchange projects. RSTP State Exchange funds are administered locally by SLOCOG. Additional technical corrections to SAFETEALU RSTP State Exchange funds are also included. A backup project listing showing the specifics to this lump sum modification is provided as Attachment B to this letter. Also included with this correspondence is a funding code reference.

This amendment is available on the California Transportation Improvement Program System (CTIPS) or via SLOCOG's TIP database, TransInfo, at http://transinfo.slocog.org. If you would like a full copy of the 2007 TIP and amendments, please visit SLOCOG's website at www.slocog.org. If you have any questions regarding this amendment, please contact Richard Murphy, SLOCOG's Programming Manager, at 805-781-5754 or rmurphy@slocog.org.

Sincerely,

Ronald L. DeCarli
Executive Director
