SUBJECT: Administrative Amendment #5 to the 2009 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Enclosed is the documentation for Administrative Amendment #5 to the 2009 Federal Transportation Improvement Program. The SJCOG Executive Director has the authority to approve all administrative amendments. State approval is required, however Federal approval is not required.

FTIP Amendment #5 amends the following projects in the 2009 FTIP:

(1) Caltrans SHOPP lump sum, Collision Reduction Category, Project EA 0H04U, West of Stockton, from east of Middle River to Trapper Road, realign curve (CTIPS ID # 212-0000-0313) – Replaces $24,213,000 in National Highway System funds ($20,106,000 in construction, $4,107,000 in construction support) programmed in FY 2008/09 with $24,213,000 in American Recovery Reinvestment Act of 2009 (ARRA) funds. All other programming remains unchanged.

(2) Caltrans SHOPP lump sum, Roadway Preservation Category, Project EA 0S460, In Merced County in and near Dos Palos from Fresno County Line to junction Route 152 and in Stanislaus County at and near Westley to 0.1 mile south of Rodgers Road to San Joaquin County Line, rubberized AC overlay – Project identified for informational purposes only.

This amendment is consistent with the request as provided by the California Department of Transportation and the action taken by the California Transportation Commission on the ARRA funds for the SHOPP.

The required documentation is enclosed.

1. CTIPs reports

According to Table 1, these changes are minor changes: e.g. changes consistent with Caltrans' administrative procedures.

SJCOG certifies this amendment does not impact the current Air Quality Conformity Analysis, timely implementation of TCM's or financial constraints and does not result in design concept or scope changes to this already approved project.

If you have any questions regarding this amendment, please contact Tanisha Taylor of my staff at (209) 468-3913.

Sincerely,

ANDREW T. CHESLEY
Executive Director
