Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Tulare County Association of Governments' (TCAG) 2010/11 - 2013/14 Federal Transportation Improvement Program (FTIP):

No.	Description
3	**State, Local and Transit Elements** • This amendment modifies sixteen existing projects and adds six new projects. It includes individual and grouped project listings with funding from the State Highway Operation and Protection Program, Highway Bridge Program, State Bond Program, various Federal Transit Administration (FTA) Programs and local funds.

See enclosure.

The TCAG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, and meets the requirements of public involvement procedures adopted by TCAG and all applicable transportation planning requirements per Title 23 Code of Federal Regulations Part 450 and satisfies the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve TCAG's Amendment Number 3. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2011 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of project for federal funding.

Please address any questions on this FSTIP approval request to Dennis Jacobs of my staff, at (916) 654-4447.

Sincerely,

RACHEL FALSETTI
Chief
Division of Transportation Programming
