Dear Ms. Clemons and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Kings County Association of Governments' (KCAG) 2016/17 - 2019/20 Federal Transportation Improvement Program (FTIP):

No.	Description
2	**Local, State, and Transit Transportation Systems**

- This amendment removes, adds, and modifies projects in Kings County funded from the Congestion Mitigation and Air Quality Improvement Program, State Highway Operation and Protection Program, Highway Safety Improvement Program, Highway Bridge Program, and Federal Transit Administration (FTA) 5339, Program.

See enclosure.

The KCAG board resolution adopting this FTIP amendment certifies that projects included meet all applicable transportation planning requirements per Title 23 Code of Federal Regulation Part 450 and satisfy the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve KCAG's Amendment Number 2. I also recommend that Federal Highway Administration and the FTA approve this FTIP amendment for inclusion into California's 2017 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of project for federal funding.

Please address any questions on this FSTIP approval request to Lima Huy of my staff, at (916) 651-7441.

Sincerely,

BRUCE DE TERRA
Chief
Division of Transportation Programming
