Dear Mr. Quiroz:

The Department of Transportation (Caltrans) received a protest on August 25, 2015, from Quimu Contracting, Inc. (Quimu), protesting the bid submitted by Robert J. Frank Construction (Robert J. Frank) for the above referenced contract. The protest alleges that Robert J. Frank failed to list a subcontractor for bid item number 47 (Pre/Post Construction Surveys), which is required to be done by a certified Land Surveyor and Robert J. Frank does not have the required certifications. The protest further alleges that Robert J. Frank did not adhere to instructions identified on the Subcontractor List form, which states in part: "The bidder must identify each subcontractor performing work in an amount in excess of 1/2 of 1 percent of the total bid or $10,000, whichever is greater."

As this protest pertains to bid item number 47, this item of work was not required to be listed on the Subcontractor's List form, since this item of work is a service and is not defined by the Business and Professions Code for that of a contractor and this item of work is not considered items of work subject to the Public Contract Code 4100.

Based on the above, Caltrans finds Quimu's protest lacks merit and will proceed to award the contract to the lowest responsible bidder, provided all requirements have been met.

If you have any questions, please contact Mulissa Smith at (916) 227-6228.

Sincerely,

for JOHN C. McMILLAN
Deputy Division Chief
Office Engineer
