LETTER # BPR-03 (CONTRACT #03-3F0404 BID PROTEST RESPONSE)

Dear Mr. McMillan,

Roadway Engineering Works, Inc. respectfully wishes to respond to RGW bid protest dated 12/04/2014 whereas once again RGW falsely states that Randy Morisoli is not employed by Roadway Engineering Works, Inc. Mr. Morisoli is paid weekly was and is the current General Manager of Roadway Engineering Works, Inc. Mr. Morisoli is authorized to sign anything for and on behalf of Roadway Engineering Works, Inc. as General Manager including bid docs and DBE submittal forms.

Once again as Randy Morisoli previously stated, RGW should check out their 3rd party source prior to making false statements to the department.

Thank You!!

Darlene Ann Coddington
