Dear Shannon Alten:

The Department of Transportation (Caltrans) received a bid submitted by Alten Construction, Inc. (Alten) for Contract No. 04-014084 on January 16, 2013. By this letter, Caltrans notifies Alten that its bid is nonresponsive because it revised column 1 on the Subcontractors List.

The Subcontractor List form states in part,..."Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid." No other revisions to the form are permitted.

On the original submitted Subcontractor's List, Alten identified bid item 86, Building Work (Casework) to be performed by Fremont Millwork and also, listed bid item 86, Building Work (TPO Roof) to be performed by Andy's. However, the second submitted Subcontractor's List received on January 17, 2013, indicates a revision was made and the work for bid item 86 (TPO Roof) would now be done by Kodiak and bid item 86 (Casework) would be done by Notherwestern Design.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsive bidder.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
