Dear Mr. Mirsaidi:

The Department of Transportation (Caltrans) received a bid submitted by Synergy Project Management (Synergy) for Contract No. 01-491214 on April 17, 2013. By this letter, Caltrans notifies Synergy that its bid is nonresponsive because the percentage of bid items subcontracted in column 3 is not consistent with the description of subcontracted work in column 4.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid."

On the original submitted Subcontractor List, Synergy identified Chrisp Company (Chrisp) as only performing work described as Stripe & Related (partial). However, on the 24-hour submission of the Subcontractor List submitted on April 18, 2013, Synergy identified the percentage of subcontracted work as 100 percent for Bid Items 7, 8, 19, 20, 24, and 25 to be performed by Chrisp. The change from partial to 100 percent constitutes an improper change to the Subcontractor List form.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder.

Your attention is directed to Section 3-1.04 of the Amendments to the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
