GRINDING JOB AGREEMENT

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

1) All areas to be ground shall be clearly marked by the General Contractor or Inspector before grinding operation starts.
2) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
3) A minimum of two weeks notice is requested to schedule move in. Machines are on a first come first served basis subject to availability. A 72 hours notice of change in schedule is requested.
4) Modification to the work may require a change in the quote.
5) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
6) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
7) Prices are good for 30 days of the date of this proposal, after that date the prices are subject to adjustment.
8) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rate until removed. Additional equipment required for removal will be charged at a time and materials basis.
9) This proposal to be attached and made part of any and all resulting contracts.
10) The above price does not include permits, fees, bonding, state or local taxes.
11) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
12) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs
13) Backcharges to ABSL must be communicated by contractor in a written notice within 72 hours from the time of occurrence for backcharges.
14) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

Todd Wheeler

RE: DISADVANTAGED/MINORITY/WOMEN BUSINESS ENTERPRISE (DBE/MBE/WBE) RECERTIFICATION APPROVAL **File No. - 163**

Dear Ms. Espie-Underwood:

We are pleased to advise you that after careful review of your application and supporting documentation, the City of Los Angeles has determined that your firm meets the eligibility standards to be recertified as a **Disadvantaged/Minority/Women Business Enterprise (DBE/MBE/WBE)** as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs and City of Los Angeles DBE/MBE/WBE directory under the following specific area(s) of expertise that you have identified on the business service form for contracting opportunities:

NAICS Code	Description
541330	**Engineering Services**
541620	**Environmental Consulting Services**
541690	**Other Scientific and Technical Consulting Services**
562910	**Remediation Services**

Your DBE certification is good for five years from the date of this letter and applies only for the above codes. You may review your firm's information in the CUCP DBE database, which can be accessed at the California Department of Transportation's website at www.dot.ca.gov/hq/bep/ and the City of Los Angeles DBE/MBE/WBE database at http://bca.lacity.org. Any additions and revisions must be submitted to the City of Los Angeles for review and approval.

After the five-year certification period, your entire file will be reviewed in order to ascertain continued DBE certification status. You will be notified of the pending DBE status review and any documentation update necessary prior to the expiration date.

The Regulations also require annual updates during this five-year period. In order to assure continuing DBE status, you must submit annually a DBE Declaration with supporting documentation, in the format, which will sent to you. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until the five-year certification has expired.
