Dear Mr. Sposeto:

The Department of Transportation (Caltrans) received the attached Disadvantaged Business Enterprise (DBE) Commitment form for Contract No. 06-0M4204 from FBD Vanguard Construction (FBD) on February 12, 2014. Caltrans has established a Disadvantaged Business Enterprise (DBE) goal of 12 percent for this project. FBD initially claimed DBE participation of $156,103.62 or, 12.73 percent of the total bid amount.

FBD listed (for credit towards the DBE goal) PC&N Construction (PC&N) to perform work described as treated wood waste in the amount of $2,940.00. Based on the information outlined in the attached memorandum from the Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB), PC&N 's participation has been disallowed because, PC&N does not have the proper work code to perform this item. Therefore, the commitment amount of $2,940.00 listed for PC&N cannot be counted towards the DBE goal. As a result, the total dollar amount counted towards the DBE goal has been adjusted to $153,163.62 or, 12.49 percent of the total bid amount.

The Resident Engineer will receive a copy of this letter for contract administration compliance.

The bid submitted by FBD Vanguard Construction, Inc. listed PC&N Construction, a Disadvantaged Business Enterprise (DBE) to provide treated wood waste. PC&N Construction is not certified to provide this bid item.

After further review and analysis, CEB staff determined that PC&N Construction does not have the proper work code to perform this item on this project. Therefore, the $2,940.00 listed for PC&N Construction to provide treated wood waste was not counted towards the DBE contract goal.
