RE: **Contract Number 08-0R9604, Paradise Maintenance Station. Reconstruct Washrack System**

Dear Mr. McMillan

MGP Construction (MGP) was the second monetary bidder on the above mentioned project. With this letter MGP submits our written protest of the bid submitted by Dalke & Sons Construction Inc. (Dalke & Sons). Dalke & Sons's bid should be found to be non- responsive for the following reasons:

1. Dalke & Sons failed to properly submit the Subcontractor list Form. Dalke & Sons did not indicate the percentage of work to be performed by the subcontractors and listed several subcontractors performing the same work description.

Thank you for your consideration.

Sincerely,

Robert Andrade
Project coordinator
