This also includes other sticky materials: such as Bay Mud, Wet Concrete mixes, etc. The time spent on this additional clean-out is chargeable and accrues separately for this clean-out procedure, and is not allowed to be averaged. In addition, R & S Trucking only hauls the above mentioned blends of asphalt in 5-axle Double bottoms only.
30. All rates quoted reflect a diesel cost per gallon up to and including: **$ 4.25/per gallon**. After it rises to: **$ 4.26/per gallon**, R & S Trucking will apply a **diesel fuel surcharge rate of 1% for every $ .10 cent per gallon cost increase**, as advised from the U.S. Dept. of Energy weekly on-highway diesel cost reports. Applying a diesel surcharge, after $ 4.26/per gallon, shall be billed thru the previous weeks trucking work (1 week in arrears).
31. All quoted rates DO NOT reflect the cost of an on-site truck boss. If the need of one is required, and mutually agreed upon by R & S Trucking and the contractor requesting this need, then the requesting contractor agrees to pay all costs associated for an on-site truck boss type monitor: This additional fee typically runs approx. $ 350.00/per day/per 8 hour shift, plus fuel cost. This rate is subject to change accordingly.

32. If & when and any & all Teamsters Local 315 or any other union local initiation fees and monthly union dues are required for any type of on-site/off-site/import/export trucking or trucks or owner-operators or independents that are pulling R & S Trucking's boxes or trailers = All dues payable will be paid out thru the general contractor awarded the above mentioned job. **R & S Trucking is not obligated to be a member of the Teamsters or join any other agreement with any organized union.**

26. As it is standard practice in the construction industry for contractors not to sign truckers trucking quotes, If R & S Trucking sign's a contractor's agreement/contract for trucking services; this action will be construed as a contractor signing an R & S Trucking complete quote with its terms & agreements. This also means that an R & S Trucking quotes supersedes any/all contractors agreements/contract/purchase order, and contractor will hold harmless anything associated in that contract, including production.
27. **R&S Trucking Co. is a VENDOR, not a SUB CONTRACTOR.**
28. Yearly escalation raise on top of the base rate quoted shall occur at **6% yearly**, commencing 1 year after the job start date, and shall continue yearly with 6% raises, year after year, for the continued duration of this same job.

This also includes other sticky materials: such as Bay Mud, Wet Concrete mixes, etc. The time spent on this additional clean-out is chargeable and accrues separately for this clean-out procedure, and is not allowed to be averaged. In addition, R & S Trucking only hauls the above mentioned blends of asphalt in 5-axle Double bottoms only.
30. All rates quoted reflect a diesel cost per gallon up to and including: **$ 4.25/per gallon.** After it rises to: **$ 4.26/per gallon, R & S Trucking will apply a diesel fuel surcharge rate of 1% for every $ .10 cent per gallon cost increase**, as advised from the U.S. Dept. of Energy weekly on-highway diesel cost reports. Applying a diesel surcharge, after $ 4.26/per gallon, shall be billed thru the previous weeks trucking work (1 week in arrears).
31. All quoted rates DO NOT reflect the cost of an on-site truck boss. If the need of one is required, and mutually agreed upon by R & S Trucking and the contractor requesting this need, then the requesting contractor agrees to pay all costs associated for an on-site truck boss type monitor: This additional fee typically runs approx. $ 350.00/per day/per 8 hour shift, plus fuel cost. This rate is subject to change accordingly.

32. If & when and any & all Teamsters Local 315 or any other union local initiation fees and monthly union dues are required for any type of on-site/off-site/import/export trucking or trucks or owner-operators or independents that are pulling R & S Trucking's boxes or trailers = All dues payable will be paid out thru the general contractor awarded the above mentioned job. **R & S Trucking is not obligated to be a member of the Teamsters or join any other agreement with any organized union.**
