Any charges at destination for spotting, switching, handling, storage and/or other accessorial services, and demurrage, shall be paid by Purchaser. Plant standby time, job cancellation, damages caused by Purchaser or Purchaser's trucker, added surcharges and force majeure events will be the responsibility of Purchaser. Purchaser will schedule delivery of aggregates and asphalt concrete and trucking with Seller's designated material dispatcher. Should Seller not be responsible for trucking, Purchaser will be responsible to schedule all trucking needs directly with the Purchaser's trucker of choice. Seller will not be responsible for any non-performance of the trucker operating under the direction of Purchaser. Should Purchaser designate a trucker to perform hauling of Materials under this MQ, Purchaser indemnifies and holds Seller harmless for costs or damages incurred due to the acts or omissions of such trucker.

Payment shall be due no more than thirty (30) days from the date of the invoice in the full amount of the invoice without retention of any amounts by Purchaser. Purchaser's failure to pay all amounts owing when due shall be deemed a material breach of this MQ and Seller may, at its option, (i) terminate this MQ; (ii) require payment to be made in advance of future deliveries; or (iii) place future deliveries on a C.O.D. basis. Amounts past due shall bear an interest charge computed from the due date at the lesser of the maximum interest rate allowed by law or at the rate of 1.5% per month. 6. **ACCEPTANCE:** This MQ shall constitute a firm offer for thirty (30) days from its date first written above or, if otherwise, as stated in Section 3 (Special Conditions) above ("Acceptance Period"). The terms and conditions of this MQ may be accepted by the Purchaser ("Acceptance") only by one of the following alternatives performed within the Acceptance Period: (i) Purchaser's execution and delivery to Seller of this MQ; or (ii) the Purchaser placing either a written or oral order for all or a portion of the Material quoted under this MQ or (iii) Seller's commencement of performance. This MQ can only be modified in writing and signed by both parties. Any and all additional or different terms proposed by Purchaser, whether contained in Purchaser's purchase order, shipping release forms, prior practice between the parties, or on any modification to this MQ by Purchaser shall not be binding on nor obligate Seller unless prior to Acceptance this MQ is returned with Purchaser's full counter-proposal and is then signed and dated by Seller's authorized representative. The issuance or the execution of this MQ shall not be intended or construed as creating an exclusive or requirements supply agreement between Purchaser and Seller.

7. **READY MIX CONCRETE ADDITIVES (if applicable):** Seller shall not be responsible for the effect on slump, strength, or quality of any concrete to which water or any other materials are added at the direction of Purchaser or Purchaser's representatives. When color additives or any other additives or add agents are added to ready-mix concrete ("Additives"), they may be at the request and instructions of Purchaser. In such event, Seller's warranty is limited to Purchaser's recovery under the Additive manufacturer's warranty and Seller does not warrant or guarantee the results or effects of Additives on the ready-mix concrete product to which they are added.

8. **DELIVERY:** Where delivery off of Seller's facility is Seller's responsibility, Seller or its contract hauler will enter upon the delivery location only as a convenience to Purchaser and Purchaser specifically waives and agrees to defend, indemnify and hold Seller harmless from and against any claim or liability or action against Seller because of damage caused thereby including, but not limited to, damage to concrete surfaces, pipelines or underground structures or utilities. Purchaser agrees to provide clear, substantial and suitable access to the point of delivery.

9. **INSPECTIONS AND ALTERATIONS:** It shall be Purchaser's responsibility to make, or cause to be made, and pay for such inspections and tests as may be required at Seller's facility or the F.O.B. location to assure the Material meets any requirements of Purchaser other than that specified in this MQ.

10. **FORCE MAJEURE:** Seller shall not be liable for failure to perform or delay in delivery by reason of any contingency or occurrence reasonably beyond Seller's control which shall be defined to include, but not be limited to, actual or threatened strikes, labor disputes, boycotts, work stoppages, or work slowdowns or fire, flood, inclement weather, embargos, war, governmental authority, or regulations, including allocations, preferences, and priorities established by or for the government, or shortage or failure of raw material or transportation which makes performance by Seller under any MQ more costly. If such delay continues for a period of more than sixty (60) days, Purchaser shall have the right, upon seven (7) days written notice to Seller, to terminate this MQ.

11. **INTEGRATED AGREEMENT:** This MQ sets forth the entire agreement between Seller and Purchaser with respect to its subject matters. All prior and contemporaneous conversations, practices between the parties, quotes, offers, negotiations, representations, promises and warranties with respect to said subject matters are waived, merged herein and superseded thereby. This is a fully integrated agreement.

12. **WARRANTY/REMEDIES:** SELLER WARRANTS THAT THE MATERIAL WILL, AT THE POINT AND TIME OF DELIVERY, CONFORM TO THE SPECIFICATIONS SET FORTH IN SECTION 3 HEREIN. USE OF SELLER PRODUCTS INCONSISTENT WITH THE SPECIFICATIONS SET FORTH HEREIN DOES NOT, REGARDLESS OF SELLER'S KNOWLEDGE, CONSTITUTE A WARRANTY OBLIGATION FOR THE USE OF THE MATERIALS INCONSISTENT WITH THOSE SPECIFICATIONS. NO OTHER WARRANTIES OF ANY KIND ARE MADE BY SELLER AND SELLER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES TO THE FULLEST EXTENT PERMITTED BYLAW, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE. Purchaser's exclusive remedies for breach of this express warranty with respect to any non conforming Material shall be limited solely, at the option of Seller, to (i) replacement of the non-conforming Material to the F.O.B. delivery point or (ii) the cost to replace the non-conforming Material to the F.O.B. delivery point. Seller shall be given a reasonable opportunity to investigate and cure any non-conformance. Seller's breach of warranty obligation shall not extend beyond the last to occur of: One (1) year following substantial completion of the Project for which the MQ applies or one (1) year from the last delivery of Material under this MQ. Seller's liability for any other breach of this MQ shall be limited to the difference between the delivered price of the Material covered hereby and the market price of such Material at the F.O.B. point specified above. In no event shall Seller be liable for loss of profit, delay or any incidental or consequential damages.

RE: Disadvantaged Business Enterprise Certification

Dear Mr. Miranda:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description	Size Standard
488510	Freight Transportation Arrangement	$14.0 million
484110	General Freight Trucking, Local	$22.41 million
484220	Specialized Freight Trucking, Local	$22.41 million
562111	Solid Waste Collection	$12.5 million
562112	Hazardous Waste Collection	$12.5 million

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to assure continuing DBE status, you must submit annually a No Change Declaration form (which will be sent to you) with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. I wish you every business success and should you have any questions, please contact us at 213-922-2600. For information on Metro contracting opportunities, please visit our website at www.metro.net.

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Small Business Enterprise (SBE) as required under the Metro SBE Program. Your firm will be listed in the Metro SBE database of certified SBEs under the following specific areas of expertise:

NAICS (2007)	Description	Size Standard
488510	Freight Transportation Arrangement	$14.0 million
484110	General Freight Trucking, Local	$22.41 million
484220	Specialized Freight Trucking, Local	$22.41 million
562111	Solid Waste Collection	$12.5 million
562112	Hazardous Waste Collection	$12.5 million

Your SBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Requests for additional or revised NAICS 2007 codes must be made in writing to Metro. After the five-year certification period, your entire file will be reviewed in order to ascertain continued SBE certification status. You will be notified of the pending SBE status review and any documentation updates necessary prior to the expiration date.

Should any changes occur that could affect your certification status, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. SBE certification is subject to review at any time.

Metro reserves the right to withdraw this certification if at any time it is determined that certification was knowingly obtained by false, misleading, or incorrect information. Metro also reserves the right to request additional information and/or conduct on-site visits at any time during the certification period. The firm thereby consents to the examination of its books, records, and documents by the Metro.

Additional information

C. A. Rasmussen, Inc. makes it a practice to encourage our subcontractors to utilize 2nd and 3rd tier DBE subs and suppliers. Additionally, members of CAR staff are actively involved in advocacy groups promoting outreach to minority and disadvantaged subcontractors, including DBEs. This includes the SCCA's Community Outreach Committee, which works to educate union contractors on the standards and practices of utilizing DBEs, and additionally helps DBE contractors learn how to make themselves competitive and to market their business toward general contractors.
