Bid Protest of Roadway Eng Works Inc.

Dear Office Engineer,

Lee Wilson Electric hereby protests the award of the above mentioned project to Roadway Eng Works Inc (Roadway) due to errors with their bid documents.

After reviewing the final DBE bid documents we noticed a few details in Roadway's DBE commitment form that seem questionable.

Signature on DBE form

The signature on the DBE commitment form is signed by a different person than the original bid documents that were e-filed. The individual who signed the DBE commitment form is not an officer of the company or authorized to sign on behalf of the company. The DBE commitment form clearly states "signature of bidder". Randy Morisoli, which is who signed the DBE form, was not the "bidder" and is not authorized to sign on behalf of the company.

Cirimele's Quote

Upon further investigation of the quote by one of Roadway's DBE subcontractors (Cirimele) we find that the scope of the work seems unreasonable for the quoted price. The scope of work that Cirimele quoted is for all of item 14 which was bid by Roadway at $560,000. How could Cirimele do the work for $16,800?

Lee Wilson Electric would like Caltrans to adhere to the strict guidelines that are put forth for fair and competitive bidding purposes, and would like to conclude that Roadway's bid is non-responsive and not eligible for award.

Sincerely,

Lee Wilson
President
Lee Wilson Electric Company, Inc.
