Mr. Ronald Jones

RE: Disadvantaged Business Enterprise Certification

Dear Mr. Jones:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description
541340	Drafting Services
541620	Environmental Consulting Services
561990	All Other Support Services (Flagging (i.e. traffic control) services
423990	Other Miscellaneous Durable Goods Merchant Wholesalers (Signs (except electrical) merchant wholesalers)(Reseller)

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP's website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to ensure your continued DBE status, you are required to submit an annual No Change Declaration Form (which will be sent to you) along with supporting documentation. If no changes are noted, then your DBE status remains current. If there are changes, Metro will review to determine continued DBE eligibility. Please note, your DBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Any services requested not specifically outlined in this proposal will be billed on a time and expense basis in accordance with the attached schedule of fees.

Limitations:

G3 has reviewed the requirements for the proposed services and is proposing to only provide quality control inspection, sampling and testing services for the bid items referenced. Our proposal has been prepared based on our project understanding and conversations with you. It is not a total project estimate and is subject to the construction schedule. This proposal does not infer that full time inspection will be performed for all of the work. We have based our services on an 8 hour quality control shift and if work extends beyond 8 hours an additional charge for labor only will apply. The overtime

labor rate is $124.20 for work beyond 8 hours and Saturdays. The double-time labor rate is $165.6 for work beyond 12 hours and Sundays.

This proposal is based on the 2016 DIR labor rate increase. Should this project extend into the 2017 DIR labor rate determination the hourly labor rate will be increased only by the base wage rate and each year thereafter on July 1st 2017. All other rates and terms will remain for the duration of the project.

Re: Caltrans Contract 07-1W8204 Route 14 in Los Angeles County in Santa Clarita from Golden Valley Road to Via Princessa

Dear Mr. Berry,
It has been a pleasure discussing the details of the subject project with you and I look forward to any questions that you may have regarding the cost proposal. G3 Quality, Inc. (G3) a **California Certified Small Business,** is pleased to respond to your request for a proposal to provide the required quality control services. G3's principals have over 15 years of experience managing and successfully implementing Quality Control programs on Caltrans projects throughout the state of California. Your Quality Control Manager will be Brian Platt, an industry expert with PCC, RSC and HMA pavements and has managed over 100 QC/QA projects consisting of HMA, Rapid strength concrete, jointed plain concrete pavement and all elements of a complex Caltrans infrastructure project. We maintain a Caltrans certified laboratory and employ some of the most experienced and seasoned Caltrans and ACI certified inspectors and testers. G3 Quality, Inc. is certified by AMRL and is qualified by Caltrans to design Superpave mixes, JPCP Mixes and perform all services required in the proposed scope of services. G3 is also signatory to the Operating Engineers Local 12.

Project Understanding:
It is our understanding that the project consists of the rehabilitation of Route 14 in Santa Clarita from Golden Valley Road to Via Princessa undercrossing. The project primarily utilizes RHMA for overlay which requires quality control on the grade and at the plant. The project typical section includes 0.1' of RHMA-G. Due to this item, compaction testing and coring for compaction is not required in the field. We have only included Field Inspection and Testing as required by the Specifications, but have included Mix Testing and Plant inspection if not provided by the materials supplier as an option. We have reviewed the specifications and based on our long term experience with Caltrans projects the following scope of services is required.

Scope of Services:
G3 Quality is proposing to provide quality control services for the following bid items:

1. Bid Item 11 – Rubberized Hot Mix Asphalt (Gap Graded)
2. Bid Item 12 – Data Core

The attached proposal is presented in a per shift lump sum format which represents all quality control services required by the specific bid item and pertinent specification section. The per shift fee includes the services as outlined in the following Bid Item Details:

Task 1 – Pre Project Quality Program Implementation
Upon notice to proceed, under task 1 G3 Quality will prepare the required quality control programs for Rubberized Hot Mix Asphalt (RHMA-G Superpave). The plan will be prepared specific to the project requirements and will consider specific items in the plans and specification that need to be addressed.

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description
541340	Drafting Services
541620	Environmental Consulting Services
561990	All Other Support Services (Flagging (i.e. traffic control) services
423990	Other Miscellaneous Durable Goods Merchant Wholesalers (Signs (except electrical) merchant wholesalers)(Reseller)

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP's website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to ensure your continued DBE status, you are required to submit an annual No Change Declaration Form (which will be sent to you) along with supporting documentation. If no changes are noted, then your DBE status remains current. If there are changes, Metro will review to determine continued DBE eligibility. Please note, your DBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Subject: Workshop for City Councilman Bob Blumenfield, 10/29

Good Morning Danielle & Stacey,

I'm excited to share with you that we have scheduled our next workshop with City of Los Angeles Councilman Bob Blumenfield, District 3 covering the West Valley neighborhoods of Canoga Park, Reseda, Tarzana, Winnetka and Woodland Hills. The event is set for October 29th at 5:30pm. Flyer is currently being finalized, we hope to have it completed by next week.

About the outreach event, It will be comprised of a few presentations from LAWA, City of LA Public Works, LADWP, POLA and the Bond Assistance Program. Following these presentations which should take no longer than 30 mins, I'm looking to create a panel made up of a few of our prime partners which of course, we'd love CA Rasmussen to join. We're looking to have mainly small businesses in the audience, however, the event will be open to anyone. The last time the Outreach Team put an event together like this, over 150 firms were in attendance!

A few more details, we would also provide you with a table where you can bring your own displays, handouts, etc. The program is scheduled to begin at 5:30 pm and would like all program participants to arrive between 4:30-5:00pm. The Councilman is confirmed to attend to give remarks.

Please let me know if this is an event CA Rasmussen would be interested in participating in.

Looking forward to hearing from you.

-Priscilla
