Dear Mr. Collado:

The Department of Transportation (Caltrans) received a letter dated November 20, 2014, in response to a nonresponsive finding for the bid submitted on October 30, 2014, for Contract 07-274804.

As you are aware, Caltrans receives many bids in response to its highway construction needs and strives to ensure the integrity of the competitive bidding process. Caltrans evaluates each bid to determine whether a bid meets the requirements of both the State/Federal contract approval process.

In this case, the bid submitted by D'Ybanag did not meet the federal requirements as outlined in the Contract Revised Standard Specifications, Section 2-1.33 for submitting the Disadvantaged Business Enterprise (DBE) Commitment form. For this reason, it remains the determination of Caltrans that the bid is nonresponsive.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.
