Dear Mr. Siqueiros:

The Department of Transportation (Caltrans) received a bid submitted by Baltazar Construction, Inc. (Baltazar) for Contract 07-3X4104 on August 01, 2013. Caltrans notifies Baltazar that its bid is nonresponsive because it failed to properly submit the Subcontractor List.

Caltrans 2010 Standard Specifications, Section 2-1.33C Subcontractor List states in part... *"The Subcontractor List must show the name, address, and work portions to be performed by each subcontractor listed. Show work portions by bid item number, description, and percentage of each bid item subcontracted"*.

On the Subcontractor List form in column 3, Baltazar listed percentages that are representative of the total contract bid, rather than the percent of the bid item(s) subcontracted. As a result, Caltrans was unable to determine the actual percentage of work being performed.

Based on the above, Caltrans finds Baltazar's bid nonresponsive. Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
