ASSUMPTIONS

1. Job Site Management assumes a project duration of 40 days (field work), or 8 weeks of on-site field work.

   8 weeks x $325.00/week = $2,600.00

   This is a weekly rate for Veridico to document required WPCP compliance by completing Caltrans forms 2030 and 2034 by a QSD/P. Veridico will work with your field staff to assess site conditions each week; no site visits are included. Pre-, during and post-rain event site inspections are not included but will be billed at the Job Site Management rate if required.
2. No other plans, reports, monitoring or permits are included.
3. The WPCP and LCP include one (1) revision for the quoted bid. Additional revisions will be billed at $125.00 per hour.
4. Contractor to provide completed questionnaire (supplied by Veridico upon notice of award) prior to start of work.
5. Print-ready electronic draft and final copies of plans and/or reports will be provided so hard copies can be produced; no hard copies will be provided by Veridico.

Veridico is a certified DBE contractor (No. 39572) with a number of associates that have supported Caltrans projects for many years. We have the necessary certified personnel to support your efforts on this project and we look forward to providing you our highest level of project support. Please don't hesitate to contact me directly at (707) 317-0002 or at tim.anenson@veridicogroup.com if we can provide anything further.

We are proud to provide a full range of services to our clients with a combined experience level among our principals of close to 70 years in the construction industry. We specialize in Storm Water & Erosion Control Services (SWPPP), and meeting compliance requirements on both the state and federal level, utilizing the installation of Best Management Practices (BMP), including but not limited to sandbags, fiber rolls, silt fences, temporary slope drains, hydro-seeding, dust control, and other temporary drainage measures. We also provide monitoring of SWPPP compliance along with preparation and submission of final reporting.

Standard Qualifications

1) Our proposals are based entirely on preliminary information provided by plans and specifications. Any future changes shall be dealt with as changes to the contract value.
2) Any unforeseen conditions including hazardous material abatement, and unknown obstructions are not included in this proposal.
3) Special Inspections and Deputy Inspectors are not included in this proposal.
4) This proposal is based on Union/PLA or prevailing wages (per job requirements).
5) All permit fees and related costs shall be reimbursed.
6) Any delays and/or postponements are not included in this proposal.
7) Liquidated Damages are not included in this proposal.
8) Any surveying and soil engineering that is required shall be performed by others.
9) Water trucks, water, hauling dirt, grading, and soil reporting/engineering are not included in this proposal.
10) Traffic control is not included in this proposal
11) A bond is not included with this proposal.
12) Security for the job site and materials shall be provided by others.
13) This proposal is valid for thirty days.

ASSUMPTIONS

1. Job Site Management assumes a project duration of 40 days (field work), or 8 weeks of on-site field work.

   8 weeks x $325.00/week = $2,600.00

   This is a weekly rate for Veridico to document required WPCP compliance by completing Caltrans forms 2030 and 2034 by a QSD/P. Veridico will work with your field staff to assess site conditions each week; no site visits are included. Pre-, during and post-rain event site inspections are not included but will be billed at the Job Site Management rate if required.
2. No other plans, reports, monitoring or permits are included.
3. The WPCP and LCP include one (1) revision for the quoted bid. Additional revisions will be billed at $125.00 per hour.
4. Contractor to provide completed questionnaire (supplied by Veridico upon notice of award) prior to start of work.
5. Print-ready electronic draft and final copies of plans and/or reports will be provided so hard copies can be produced; no hard copies will be provided by Veridico.

Veridico is a certified DBE contractor (No. 39572) with a number of associates that have supported Caltrans projects for many years. We have the necessary certified personnel to support your efforts on this project and we look forward to providing you our highest level of project support. Please don't hesitate to contact me directly at (707) 317-0002 or at tim.anenson@veridicogroup.com if we can provide anything further.

Re: **Storm Water Services Proposal for Project No.: 08-1C7404, Install Traffic Signals, Riverside County, Hemet**
Terradyne Proposal No.: LP163014

Dear Mr. Perry,

Terradyne LAX, Inc. (Terradyne) is pleased to submit this estimated budget proposal for storm water services for the above referenced project. Terradyne is a DBE and minority owned firm specializing in environmental, geotechnical and civil engineering as well as construction materials testing. With five offices located throughout the United States (Southern California, Denver, Dallas, Austin and Pittsburgh,) Terradyne has the technical capabilities, personnel, equipment resources and local expertise to provide you with superior testing and inspection services.

Terradyne LAX, Inc has multiple QSD/QSP's on hand to aid in keeping you in compliance with the NPDES Construction General Permit Order No. 2009-0009-DWQ. Our QSD/QSPs have over seven years experience working on Caltrans projects, various city projects throughout southern California, and construction of single family/multifamily homes.

Per the attached assumptions, storm water services estimates are given as unit rates and "Standard Terms and Conditions," Terradyne shall provide experienced personnel to perform any storm water services required in general accordance with the project specifications. The actual costs for services can decrease or increase with changes in the scope of work or with the contractor's work method. If this proposal meets your approval, please sign in the space provided and return one copy of the proposal intact. We will proceed with the work upon receipt of a signed proposal.

We are looking forward to providing services to DBX, Inc for the project of the Install Traffic Signals in Riverside County, Hemet. For your convenience, you may contact the undersigned at 714-273-8883. Please do not hesitate to contact us should you have any questions or comments. Thanks in advance for your consideration.

Very Truly Yours,
Terradyne LAX, Inc.

STANDARD TERMS & CONDITIONS

Parties and Scope of Work Terradyne, LLC shall include said company or its particular subsidiary or affiliate performing the work and owners, employees, partners, members, officers, directors and agents. All work including additional work ordered by client shall also be subjected to these Standard Terms and Conditions. If client is ordering the work on behalf of another, Client represents and warrants that it is the duly authorized agent of said party for the purpose of ordering and directing said work. Client shall communicate these Standard Terms and Conditions to each and every third party to whom client transmits any part of Terradyne's work. Terradyne should have no duty or obligation to any third party greater than that set forth in Terradyne's proposal. The ordering of work from Terradyne, or the reliance on any of Terradyne's work shall constitute acceptance of the term of Terradyne's proposal and these Standard Terms and Conditions, regardless of the terms of any subsequently issued document.

Invoicing & Payment Invoices are due and payable upon receipt, unless specific arrangements have been made. Accounts become delinquent 30 days after the invoice date. Any balance remaining unpaid on the account 30 days after the invoice date shall be subject to a finance charge, at a periodic rate of 1.50% per month, which is an annual percentage rate of 18%. Terradyne computes the finance charge by applying the periodic rate to the adjusted balance of your account. Taking the balance owed by the client at the end of the previous billing cycle and subtracting all payments and credits received during the present billing cycle determines the balance. To avoid the finance charge, clients must pay the new balance shown on the billing statement within 30 days following the presentation of the billing. The client will be held responsible for any and all costs related to collections, including attorney's fees.

Confidentiality Inherent in our dealings with clients, as a third party independent consulting engineering company, is the confidentiality of all work performed for any client. All plans and/or reports are submitted for the exclusive use of the client to whom it is addressed.

Prevailing Wages This proposal specifically excludes compliance with any project labor agreement, labor agreement, or other union or apprenticeship requirements. In addition, unless explicitly agreed to in the body of this proposal, this proposal specifically excludes compliance with any state or federal prevailing wage law or associated requirements, including the Davis Bacon Act. Due to the professional nature of its services Terradyne is generally exempt from the Davis Bacon Act prevailing wage schemes. It is agreed that no applicable prevailing wage classification or wage rate has been provided to Terradyne, and that all wages and cost estimates contained herein are based solely upon standard, non-prevailing wage rates. Should it later be determined by the Owner or any applicable agency that in fact prevailing wage applies, then it is agreed that the contract value of this agreement shall be equitably adjusted to account for such changed circumstances. These exclusions shall survive the completion of the project and shall be merged into any subsequently executed documents between the parties, regardless of the terms of such agreement. Client will reimburse, defend, indemnify and hold harmless Terradyne from and against any liability resulting from a subsequent determination that prevailing wage regulations cover the Project, including all costs, fines and attorney's fees.

Reports The significance of the report is subject to the adequacy and representative character of the samples, and the comprehensiveness of the test, examination or surveys. No quotation from our reports or use of Terradyne name is permitted except as authorized by Terradyne in writing.
Samples Sampling and testing is performed in general accordance with applicable standard test methods except when otherwise noted. Samples will be discarded 30 days after completion of the test. Upon written request by the client, Samples will be returned and/ or stored at an agreeable charge.

Property Surveys The location of existing and proposed improvement; wells and/or drain fields are not the result of a property survey. Improvement locations are approximate. It is the property owner's responsibility to define property boundaries and ensure all onsite improvements are located within the platted site and out of inappropriate easements. All separation distances are to be verified prior to excavation.

Representations and Limitations of Professional Liability No representations, expressed or implied, are made or intended by the rendering of consulting services of by the furnishing of oral or written report of the findings and laboratory tests performed. Terradyne makes no implied warranty of fitness for a particular purpose of warranty of merchantability or any other express or implied warranties whatsoever. Terradyne's (including its owners, agents and employees jointly) liability for damages, due to breach of contract, breach of warranty, professional negligence, any act or omission arising out of the performance of this Agreement, or for any and all other reasons whatsoever will be limited to a sum not to exceed $10,000 or fee paid whichever is greater, and the amount of the limitation of liability shall include liability for attorney's fees, litigation expenses and costs.

Utilities Terradyne will contact the local one-call public utility locator service and take reasonable precautions to avoid damage or injury to identified underground structures or utilities. Client shall provide any documents necessary or helpful in locating all private underground structures and utilities. Client shall assume responsibility for the accuracy of any information provided. Client agrees to hold harmless, defend, and indemnify Terradyne for any damages to underground structures and utilities, and any damage, injury or death arising directly or indirectly there from, which were not identified on the documents furnished, or by local utility identification agencies.

Delay and Force Majeure Terradyne will be excused for delay in the performance of services under this Agreement if caused by acts of God; inclement weather; acts of utility companies, unions, organized labor, or inspectors; or other unforeseen contingencies; beyond Terradyne's reasonable control.

Indemnification To the fullest extent permitted by law, Client shall hold harmless, indemnify, and defend Terradyne and its owners, partners, members, employees, officers, directors, affiliates, and agents from and against all claims and causes of action for bodily injury, death, property damage, and economic losses that may arise from the performance of services under this Agreement, except where such bodily injury, death or property damage arises directly from the sole negligence, errors, or omissions of Terradyne. Client's agreement to indemnify as stated above in this section includes any indemnifying from, holding harmless for and defending from any liability for claims, damages, attorney's fees, expenses and costs incurred by any third party who asserts a claim against Terradyne in excess of the Limitation of Liability set forth in Limitations of Professional Liability section of the Agreement above.

Consequential Damages Client agrees to waive its rights, if any, to recover from Terradyne and its owners, partners, members, employees, officers, directors, affiliates, and agents any consequential damages incurred allegedly as a result of any acts, errors or omissions arising out of the performance of this Agreement, including the right to recover any lost profits, diminution in value, cost overruns, or delay damages.

Attorney's Fees In the event of any dispute arising out of this Agreement or the performance of this Agreement leads to litigation or arbitration, the successful or prevailing party to any such dispute will be entitled to recover from the other party the party's reasonable and necessary attorney's fees, expenses and costs incurred as a result of the dispute.

Dispute Resolution The parties will attempt to resolve any claim or dispute (whether in contract, tort or otherwise) against the Company, its' agents, employees, successors, assigns or affiliates arising out of or relating to this agreement or the services through mediation utilizing a mutually agreeable mediator, prior to any litigation. Cost of mediation shall be split equally between both parties.

Litigation Support If Terradyne is required by operation of law, subpoena, or other legal process to appear, participate, or give testimony as an expert or fact witness, in any legal discovery, administrative, or court proceeding, as a result of the performance of services under this Agreement, Client agrees to compensate Terradyne pursuant to Terradyne's current fee and rate schedule, and to reimburse Terradyne for all reasonable costs and expenses Terradyne may incur in connection with such activities, including the fees of any attorney Terradyne may retain on its own behalf.

ITEM #5

EFFORTS TO PROVIDE INFORMATION AND

PROOFS OF PUBLICATIONS

Contract No. 08-1C7404

TAB 7

5. Describe the Bidder's efforts made to provide interested DBEs with adequate information about the plans, specifications and requirements of the Contract to assist them in responding to a solicitation. Identify the DBEs assisted, the type of information provided, and the date of the contacts. Provide copies of supporting documents.

- Advised potential DBE firms in all letters, faxes, emails and advertisements that the plans and specifications were available to be viewed in our office from 8 am – 4pm Monday through Friday and were also available for viewing on the Caltrans website and provided the link.

We did not receive any requests for assistance.
