RE: MTC TIP Amendment 2005-17

Dear Mr. Chittenden,

I am writing to notify you of several changes MTC recently made to the 2005 Transportation Improvement Program (TIP) with minor change amendment number 05-17.

The amendment makes funding revisions to:

1. Regional Transportation Improvement Program (RTIP) projects in Sunnyvale, San Francisco and on the I-80 corridor in Rodeo;
2. Surface Transportation Program funded projects in San Mateo and Solano Counties; and
3. Two Caltrain projects funded with FTA Section 5307 funds.

The amendment also makes other minor revisions to projects in Fairfield, San Leandro, Dry Creek Rancheria in Sonoma County, and in Daly City.

All the revisions made with this amendment will not change the air quality conformity or conflict with the financial constraint requirements of the TIP and therefore a conformity determination is not required. Each of these changes also meets the criteria for changes that may be made administratively.

The revised TIP entries have been emailed to your staff and have been posted at MTC's TIP website at: http://www.mtc.ca.gov/funding/tip/.

They will also be uploaded into CTIPS very shortly. If you have any questions regarding this amendment, please contact Raymond Odunlami of my staff at (510) 817-5799.

Sincerely,

Therese W. McMillan

With Amendment 05-17, we made a technical correction to the above subject project. The correction was to change the Final Design phase to Construction. This was due to a staff error when the original project was entered into the database. No final design is included in the original project scope.
