DES-OE-0102.11A (REV 12/2014)

Bidder's Name: FUTURE DB INTERNATIONAL, INC.

Contract No.: 11-415304

1. List items of work the Bidder made available to DBE firms. Identify items of work the Bidder might otherwise perform with its own forces, items that have been broken down into economically feasible units to facilitate DBE participation, and items for which the Bidder has established flexible time frames for performance and delivery schedules in a manner that encourages and facilitates DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.

DES-OE-0102.11A (REV 12/2014)

Bidder's Name: FUTURE DB INTERNATION, INC.

Contract No.: 11-415304

2. List the names of certified DBEs and all the dates on which they were solicited to bid on this project. Include the items of work offered and the dates and methods used for following up initial and follow-up solicitations to determine with certainty whether the DBEs were interested. Attach copies of solicitations, e-mail messages, telephone records, fax confirmations, etc.

Name of DBE Solicited	Date of Initial Solicitation	Items of Work Offered	Follow Up Methods and Dates
(SEE ALL ATTACHMENTS)			

3. For each item of work made available, indicate whether the Bidder provided plans and specifications specific to the items of work being offered, list the selected firm and its status as a DBE, the DBEs that provided quotes, the price quote for each firm, and the price difference for each DBE if the selected firm is not a DBE. Provide copies of each DBE and Non-DBE quote submitted to the Bidder whenever a Non-DBE firm was selected over a DBE for work on the Contract.

Items of Work	Provided Plans/ Specifications for Work Offered Yes/No	Name of Selected Firm	DBE or Non-DBE	Name of Rejected Firm	Quote ($)	Price Difference ($)
(SEE ATTACHMENT E)						
TREATED WOOD WASTE	☑ YES ☐ NO	ALCORN FENCE COMPANY	NON-DBE	NO DBE SENT QUOTE TO US	3,875.04	NO DBE SENT QUOTE TO US

Project Inclusions / Exclusions:

A. A minimum of 15 working days prior notification is required for each move- in. BC Traffic will not be impacted by Liquidated Damages assessed by the Contractor / Agency due to an inadequate amount of time to completed BC Traffic Operations. General Contractor is to submit in writing a project schedule prior to the above noted working day requirement.

B. The following materials and services are included in this quote: Thermoplastic [Yes], Paint [Yes], Markers [Yes], Traffic Signs-Striping Plans Only [No], Mast Arm Signs - To be Supplied Only [No], Thermo/ Paint removal [Yes], Marker removal [Yes], Temporary striping [Opt], Temp tab removal [No], Post "No Parking" Signs [No], Curb Painting [No], Channelizers [No], Traffic Loops [No]

C. Total move-ins included in this quote for Permanent Striping / Striping Removals will be as noted: 1 EA
Additional Cost for BC Traffic to remobilize it's Crew will be charge at the following cost: $ 2,950.00 EA
Total Shifts (Minimum) Required to Complete the above noted Field Operations is as followed: 6 EA

D. No Traffic control is included in this quote. Traffic control when included in this quote is only for BC Rentals, Inc. Operations.

E. If General Contractor or any of its sub-contractors work within BC Rentals, Inc. traffic control, the expense will be shared accordingly at BC Rentals, Inc. discretion. No advance posting, signing, or CMS is included for BC Rentals, Inc. traffic control.

F. Prime Contractor to provide us with a JOBSITE secure area for temporary storage of all hazardous stripe removal debris.

G. Prime Contractor to provide disposal area & dispose of all non-hazardous stripe & marker debris. Disposal area to be on site. If any Striping removals fall below the Roadway Surface or the grooves of the roadway, BC Traffic will not be held responsible for stripe removal of that material.
If Dump Site can't be provided, then please add the following cost to the proposal for disposal services: $ 1,800.00 EA

H. Pre-striping pavement preparation, including sweeping, concrete curing material removal are to be provided by others.

I. If Bonding is required Please add 3% to the total bid price. A minimum price of $ 400.00 will be required for all bonds.

J. For BC Traffic insurance requirements please read General Term & Conditions for Insurance limitations.

K. Upon Award of Contract, BC Traffic Will Submit its weather policy statement that will become a binding document to the contract.
L. Contractor is responsible for markings of all sign & post installations. It's Contractor's responsibility to remove USA Markings.

Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly payments must be received in full by BC Traffic no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.

Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payments to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payments to BC Traffic Specialist. Full retention to be released no later than thirty (30) days after completion of BC Traffic Specialist work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.

General Terms & Conditions

NOTE: All contracts must be written to our legal corporate name "BC Rentals, Inc."

BC Rentals, Inc. requires a written contract, purchase order or signed quote prior to the start of work.

Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like to be provided by others.

Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout resulting from plan errors or inaccurate designs, will require payment for additional work to be made to BC Rentals, Inc. at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.

BC Rentals, Inc. is not responsible for delays caused by and or resulting from activities or non activities of others, including but not not limited to, owner, contractor, vendors, suppliers, other subcontractors and other factors not in direct control of BC Rentals, Inc. For the delays caused by the aforementioned, BC Rentals, Inc. will be reimbursed for all direct and indirect costs plus a mark up of forty percent (40%), or as specified and allowed by the Prime Contract if the delays are caused by the Owner / Agency. BC Rentals, Inc. will be granted an extension of time to perform its work tantamount to the delays.

Price includes General Liability Insurance coverage up to Two Million Dollars, Auto Liability up to One Million Dollars, and Umbrella Liability up to Five Million Dollars. Bid Price does not includes cost for insurance requirement beyond that requirement. Price does not include any special insurance requirement (i.e. Railroad Insurance, etc.). An additional cost will be required for this type of policy.

BC Rentals, Inc. requires fifteen (15) working days notice prior to commencement of any production activity. If any of BC Rentals, Inc. work will be a controlling operation on the critical path of this project, BC Rentals, Inc. must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from BC Rentals, Inc. for this work.

All changes to the original scope of work or proposed extra work must be directed by the Contractor in writing prior to BC Rentals, Inc. performing this work.

For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Addition Move-in Charge as quoted herein.

BC Rentals, Inc. must receive a letter of intent to award us the subcontract no later than (30) calendar days after bid date or this Subcontract Quotation becomes null and void. Also, This quote shall become a part of any and all subcontract agreements and / or purchases orders related to the project. Violation of this action will nullify this proposal.

ACL Construction Co., Inc. Terms, Conditions, and Exclusions

This list of ACL's *Terms, Conditions, and Exclusions*, along with the preceding *Proposal* dated 11/7/17, shall be included as part of any contract and shall prevail over any conflicting terms.
Retention is 5% after 50% of ACL's work is in place. Prime Contractor shall release 100% Retention 35 days after ACL's work is completed.
INSURANCE: ACL's limit is one million. If more limits are required, all additional insurance, premiums, and fees are to be paid by the Prime Contractor. **EXCLUDES - Railroad Insurance, Waiver of Subrogation, Longshoremen's Insurance (All available at Prime Contractor's Expense)**
ACL will not accept a Type I or Type II indemnity agreement.
Excludes - Engineering, Inspections, Permits, Fees, City Licenses, or Testing of any type.
ACL will not be responsible for delays due to lack of, and/or incorrect or inadequate Contractor furnished schedule, material, access, and structure not ready. Time delays which are out of ACL's control and in control of the Prime Contractor, or his other subcontractors, will be charged at Cal-Trans rates.
No Caltrans extra work will be performed until an agreement on price and time is given to ACL in the form of **written authorization** from the Prime Contractor.
No back charges will be accepted without **prior written authorization** from ACL.
No corrective work by others; ACL will correct its own work.
Force-account work to be paid in accordance with Cal-Trans special provisions or agreed upon price.
ACL is not responsible for vandalism or damage to concrete barrier after barrier is placed and finished.
ACL is not responsible for damage or on-site clean up of instances done by others than ACL's own work force.
Any item or items of work may be deleted from ACL's proposal if requested by Prime Contractor and agreed upon before bid date. ACL's proposal is to be considered complete per their listed work. ACL's price is based only on items listed in our proposal.
Prime Contractor to provide at all bridges, and free standing walls, Cal-OSHA approved working scaffold and protective cover over traffic and environmentally impacted areas.
Prime Contractor to provide adequate access suitable for concrete to be end-dumped from Ready Mix Trucks; 12' wide work area, no more than 16" below flow line; minimum of 2' work area at both sides of rail form, and access to set forms with boom truck.
Prime Contractor to provide adequate access to ACL's work and not hinder work or work schedule.
Prime Contractor to provide secure area for ACL's material and equipment.
Prime Contractor to provide a **written move-in notification EIGHT (8) WEEKS before requested move-in date.**
Prime Contractor is to schedule a minimum 8-hour workday.
No weekend work (Saturdays & Sundays), night work, and additional lighting.
Prime Contractor to provide a source of water within job limits to ACL free of charge.
Prime Contractor to provide sanitation facilities.
Prime Contractor to provide Square Pile Caps to line and grade width of rail.
All work completed by Prime Contractor or their subcontractors to be completed according to applicable job plans and specifications.

ACL Exclusions – *(See Page 1 of Proposal For Any Items Listed Here That We May Include on a Per-Contract Basis)*
Sealant, Texture, Stain, Paint, Sandblasting of any kind, Preparation and Architectural Treatment, Drill and Grout Dowels.
Embedded Items - (Installing of Bolts, Utility Pipe, and/or Conduits, and Block-outs, Bulkheads, etc.)
Miscellaneous Metals and Metal Embeds of any kind.
Sign Bases, Light Pedestals, and Electroliers when protruding.
Concrete, Concrete Pump, Cold weather Concrete Protection, Rebar, Rebar install, Rebar Templates, Expansion Paper Styrofoam
Water Cure and Curing Compounds.
Electrical; Graffiti removal.
Restoration Work, AC Paving or Patching
Traffic Control – NOTE: Traffic Control to be provided per special provisions by Prime Contractor.
Construction Signs, Cones, Delineators, Protective Barriers, Fencing or K-Rail.
Survey – NOTE: Adequate Staking to be provided by the Prime Contractor.
Layout, Excavation, and Backfill; De-Water and Water Control.
Dust Control, Surface Water Handling, or Erosion Control.
Clearing or Grubbing; Removal or Haul Away; Hazardous Waste Removal.
CPM Schedule or apportioned cost thereof.
