ATTENTION

CONTRACTORS, SUBCONTRACTORS, INTERESTED PARTIES

The California Department of Transportation (Caltrans) will be holding outreaches to inform the business community about the contracting opportunities associated with **the San Francisco-Oakland Bay Bridge East Span Seismic Safety Project (SFOBB-ESSSP).**

The **SFOBB-ESSSP** will construct a new bridge between Yerba Buena Island and Oakland.

A series of 8 outreaches are scheduled. The next contract is slated to advertise in the fall of 2002.

The contracts will either have a Disabled Veteran Business Enterprise contract participation goal, or Disadvantaged Business Enterprise goal, however, prime contractors are being encouraged by Caltrans to actively seek certified Small Business participation as well.

These outreaches will provide an opportunity to learn about the scope of the project, the contract requirements, and will provide a forum for prime contractors, subcontractors, suppliers, manufacturers and other businesses to meet and network.

For further information call (800) 517-8335 or e-mail eastspan@pamsf.com.

The following Outreaches will be held in **Oakland** at:

Caltrans Auditorium Complex
111 Grand Avenue
Oakland, CA 94612
