		Page 1 of 1
SUBJECT AREA Cooperative Agreements	ISSUING UNIT DIVISION OF DESIGN	
SUPERCEDES CHAPTER 16 – Cooperative Agreements	DISTRIBUTION **ON-LINE**	

The official version of the Project Development Procedures Manual (PDPM) is the electronic version found on Caltrans Division of Design Website: http://www.dot.ca.gov/hq/oppd/pdpm/pdpmn.htm.

Changes were needed to update the chapter to reflect current practice and as such, it was entirely reorganized and completely rewritten. The locations of revisions are not marked with a vertical line within the manual because the entire chapter was updated.

Some of the references found in the PDPM have hyperlinks that connect to Caltrans intranet pages which are not displayable to the general public. Until such time that the specific reference becomes available on the internet, the user will have to contact their district liaison, Caltrans project manager, or the appropriate Headquarters division to inquire about the availability of the reference.

PDPM subscribers are encouraged to use the most recent manual version available on-line at the above website. Should a subscriber choose to maintain a paper copy of the manual, the subscriber is responsible for keeping their paper copy up to date and current. If you received this manual change transmittal by some method other than the subscription service for project development procedure updates and would like to become a subscriber, please visit: http://www.dot.ca.gov/hq/oppd/pdpm/pdplist.htm
