Dear Mr. Bagde:

Please accept Administrative Amendment #25 to the Interim 2005/07 Metropolitan Transportation Improvement Program (MTIP) for your expeditious review and approval. SACOG staff has made the requested changes for the attached projects using the authority delegated to staff by SACOG's Board of Directors to process technical adjustments to the MTIP.

The first project, **CAL18735 I-80 Roseville Planting & Irrigation Rehabilitation,** reflects increased funding that the CTC approved in November. The second, **VAR10050 SACOG Area State Hwy Bridge Replacement**, increases 2005 funding. The proposed changes will impact neither the region's air quality conformity nor the financial constraint of the MTIP.

Upon your approval, this amendment will be effective immediately.

Thank you in advance for your prompt attention to this matter. If you have any questions or concerns, please contact José Luis Cáceres by e-mail at jcaceres@sacog.org or by phone at (916) 340-6218.

Sincerely,

Mike McKeever
Executive Director
