RE: ADMINISTRATIVE AMENDMENT #04-10 TO THE
2004 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM (RTIP)

Dear Mr. Chittenden:

The Southern California Association of Governments (SCAG) is transmitting an administrative amendment #04-10 for projects in San Bernardino County.

The projects meet the administrative amendment criteria and the changes are with in 20% of the total project cost and do not exceed $2 million. San Bernardino Associated Governments is waiting for approval of this administrative amendment in order to obligate the funds. Patrick Louie of Caltrans headquarters is also awaiting approval of this amendment in order to approve obligation of federal funds.

The project included in this amendment has been demonstrated to satisfy the requirements of 40 CFR 93.118 and 93.119 without a new regional emissions analysis in accordance with the provisions of 40 CFR 93.122(e)(2)(ii). Therefore, SCAG through its function as the designated Metropolitan Planning Organization (MPO) has found the attached project to conform to the applicable State Implementation Plan and to be consistent with the 2004 Regional Transportation Plan (RTP). The addition of this project does not impact the conformity analysis or the financial constraints of the FY 2004 RTIP.

If you have any questions, please contact Rosemary Ayala of my staff at (213) 236-1927 or via e-mail at ayala@scag.ca.gov.

Sincerely,

for

Hasan Ikhrata
Director of Planning and Policy
