Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Santa Barbara County Association of Governments' (SBCAG) 2006/07-2009/10 Federal Transportation Improvement Program (FTIP):

No.	Description
16	**State and Local Elements** The amendment modifies funding for various grouped project listings in Santa Barbara County. The amendment includes projects with funding from the State Highway Operation and Protection Program, Highway Bridge Program (HBP), and the Proposition 1B Transportation Bond Program. See Enclosure.

The updated programming is for projects in air quality attainment area that is exempt from the conformity determination requirement. The SBCAG Board Resolution adopting this FTIP amendment certifies that projects included are consistent with the Regional Transportation Plan, is financially constrained, and meets the requirements of public involvement procedures adopted by SBCAG.

Pursuant to the authority delegated to me, I approve SBCAG's Amendment Number 16. I also recommend that the Federal Highway Administration and Federal Transit Administration approve this FTIP amendment for inclusion into California's 2007 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only.

Please address any questions on this FSTIP approval request to Abhijit Bagde, of my staff, at (916) 654-3638.

Sincerely,

RACHEL FALSETTI
Acting Chief
Division of Transportation Programming
