**Subject: Administrative Amendment #12 to the Stanislaus Council of Governments 2007 FTIP**

Ms. Gray:

The Stanislaus Council of Governments Executive Director, as authorized by the StanCOG Policy Board, hereby approves Administrative Amendment #12 to the Stanislaus Council of Government's (StanCOG) 2007 Federal Transportation Improvement Program (FTIP).

Below are the specified administrative changes to the FTIP:

**RSTP:** City of Oakdale:

The City of Oakdale has requested to amend CTIPS ID 214-0000-0301 project description **"07-09 Roadway Resurfacing and/or Reconstruction – Lump Sum"** to add the following projects to their lump sum project list "resurfacing/reconstruction portions of Magg Street"; "resurfacing/reconstruction portions of D Street". This request is fiscally constrained and does not increase existing fiduciary obligations. The 07/08 Lump Sum Project List will be modified to reflect this request

It should be noted that the changes to these projects contained within this amendment do not require a re-determination of the air quality conformity analysis.

900 H Street, Suite D • Modesto, CA 95354 • 209.558.7830 • Fax 209.558.7833 • www.stancog.org

You should be aware that as per StanCOG's adopted *Policies and Procedures*, Administrative Amendments are to be used whenever "minor" changes related to project costs, selection, or programming occurs. The projects being adjusted meet these criteria. Administrative Amendments are used in lieu of standard FTIP Formal Amendments, and as such, are not subject to Federal approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Amendment has taken place. The California Transportation Improvement Program System (CTIPS) will be revised to reflect this amendment.

If you should have any questions or comments, please feel free to call Scott Philips at 209-585-4644.

Sincerely,

Vincent J. Harris, Executive Director
Stanislaus Council of Governments
