Attention: Mr. Ray Sukys

Dear Mr. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Southern California Association of Governments' (SCAG) 2014/15-2019/20 Federal Transportation Improvement Program (FTIP):

| No. | Description |
|---|---|
| 8 | **State Element**<br>This amendment modifies funding for the Route 10 High-Occupancy Vehicle (HOV) Lanes Project in the Los Angeles County. This project is funded from the Congestion Mitigation and Air Quality Improvement Program, State Highway Operation and Protection Program, and the State Transportation Improvement Program.<br>See enclosure. |

SCAG has certified that the amendment is consistent with the Regional Transportation Plan, is financially constrained, is consistent with the regional emission analysis, does not affect timely implementation of the transportation control measures, and meets the requirements of public involvement procedures adopted by SCAG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SCAG's Amendment Number 8. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2015 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of the project for federal funding.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

for BRUCE DE TERRA
Acting Chief
Division of Transportation Programming
