Gary Pursell's

Resident Engineer (Field) DAILY REPORT

Report No. 45. GP-141

Date: Week of February 9, 2009

Monday, February 9, 2009

Attended 8:30am update meeting on the status of the elevator variance/design effort.

Attended weekly Champions meeting.

Participated in Team China teleconference, where we reviewed and updated the agenda items from the last meeting.

Tuesday, February 10, 2009

Held bi-weekly Senior staff meeting. In addition to routine issues and status of tasks, we discussed and set direction for implementing the recently implemented state employee furlough program.

Wednesday, February 11, 2009

Small core team held this morning with myself, Mike Forner, Marwan Nader & Rick Morrow, and Mike Flowers, Brian Petersen, Steve Buschmeyer, Peter van der Waart from ABF.

Held meeting to establish approach on finalizing design of top supports on Skyway temp tower A in conjunction with the plan to lower the Skyway. It was determined Caltrans will issue the design along with a directive to do the work to ABF.

Attended bi-weekly CCO status update meeting.

First joint core team with Team China (Pete S. & Thomas Nilsson) held via teleconference held this afternoon at 3:30pm. Those that participated at Pier 7 included Tony Anziano, Ken Terpstra, Mike Flowers, Brian Petersen, Steve Buschmeyer, Peter van der Waart, Rick Morrow, Marwan Nader & Mike Forner.

Thursday, February 12, 2009

Holiday. Worked in pm. Return to Redding in evening.

Attended/hosted east end OBG focus team (detailing). Several proposed adjustments in established process will be brought forward, i.e., incorporating changes onto shop drawings during review rather than with ATP.

Friday, February 13, 2009

Worked out of Redding. Completed routine documents, including summary of East End OBG focus meeting outcome from yesterday and forwarded to Bob Kick for consideration.

Participated via teleconference in opportunity schedule kick off meeting at Pier 7. The effort is being Championed by Jon Tapping and Peter van der Waart.
