Dear Mr. Lord and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the San Luis Obispo Council of Governments' (SLOCOG) 2014/15 - 2017/18 Federal Transportation Improvement Program (FTIP):

No.	Description
12	**State, Transit, and Local Elements** • This amendment adds and modifies individual and grouped project listings in San Luis Obispo County. The projects include funding from the Congestion Mitigation and Air Quality Improvement Program, Regional Surface Transportation Program, State Highway Operation and Protection Program, Federal Transit Administration (FTA) section 5311, and local funds.

See enclosure.

The SLOCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, meets the requirements of public involvement procedures adopted by SLOCOG and all applicable transportation planning requirements per Title 23 Code of Federal Regulations Part 450, and satisfies the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SLOCOG's Amendment Number 12. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2015 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of project for federal funding.

Please address any questions on this FSTIP approval request to Dennis Jacobs of my staff, at (916) 654-4447.

Sincerely,

for BRUCE DE TERRA
Chief
Division of Transportation Programming
