Attention: Mr. Ted Matley

Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Metropolitan Transportation Commission's (MTC) 2016/17 – 2019/20 Federal Transportation Improvement Program (FTIP):

No.	Description
37	**Local, State and Transit Transportation Systems** • This amendment adds and modifies projects that include funding from the Active Transportation Program, Congestion Mitigation and Air Quality Improvement Program, Surface Transportation Program, Highway Bridge Program and the Federal Transit Administration (FTA) 5307, 5311 and 5339 Programs.

See enclosure.

MTC has certified that the amendment is financially constrained, does not change air quality conformity, and meets the requirements of public involvement procedures adopted by MTC.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve MTC's Amendment Number 37. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2017 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP, in fiscal years beyond the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Please address any questions on this FSTIP approval request to Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

for BRUCE DE TERRA
Chief
Division of Transportation Programming
