ASSISTANT RESIDENT ENGINEER'S DAILY REPORT

Location & Description of Operation: CCO 106 Skyway Lowering

Two light plants used for ABF night Skyway surveying are idle in the field today. Caltrans requested that these light plants remain for a Caltrans QA survey. Caltrans did not perform a nighttime survey, and today I told ABF Engineer Katherine Quillin that the light plants can now be removed from the Skyway. ABF operator takes light plants back to Pier 7 warehouse.

HOURS - ITEM NO. CCO 106 - Survey
