Dear Michael Flowers,

Field Change Notification (FCN) Historical Data

This letter is issued in response to ABF-CAL-LTR-000722, dated October 24, 2008, in which ABF verified the accuracy of the status of Field Change Notice (FCN) drawings currently in use by ZPMC and provided in State Letter 05.03.01-002639. After reviewing both sets of data, the Department found that only a few items remain in conflict. To simplify the resolution of these remaining items, we are requesting a meeting to discuss and come to an agreement on the status of the few items that remain in conflict.

Please contact Keith Osantowski at (510) 622-5183 to schedule a meeting.

Sincerely,

for 
GARY PURSELL
Resident Engineer
