Dear Michael Flowers,

Submittal 449 Rev. 1 - Update 1 - OBG - Segment Sub Assembly - Lift 12E

Please accept this letter as an update to State Letter 05.03.01-004059, issued May 5, 2009, in response to Submittal ABF-SUB-000449R01, "OBG - Segment Sub Assembly (SEG) - Lift 12E," dated April 24, 2009.

The Department's comment regarding finalization of the lifting lug location is withdrawn, with our understanding that the note in the submitted shop drawings was directed from Candraft to ZPMC, not the Department. Revised shop drawing markups are attached. The status of the submittal remains "Approved as Noted." The status of Shop Drawings SEG3002M and SEG3002N are changed from "Approved as Noted" to "Approved." Shop Drawings SEG3002E and SEG3002F will be addressed in the response to Submittal ABF-SUB-000449R02.

Please do not hesitate to contact Gary Lai should you have any questions or wish to meet to discuss these items.

Sincerely,
