Dear Michael Flowers,

**Request for ZPMC Labor Rate**

The Department and ABF have been engaged in an ongoing effort to establish and agree upon standard shop labor rates to apply to the extra work fabrication efforts at ZPMC.

In support of this effort, the Department requests that ABF formally submit, through PMIV, a complete package of ZPMC's labor rate determination. The submittal shall be accompanied by a letter signifying ABF agrees with the content and the back-up material. Please ensure the documents are translated into English as required per Special Provision Section 5-1.018, "Foreign Fabrication."

If you have any questions please contact Kannu Balan at 510-867-6774 or Jason Tom at 510-714-7093.

Sincerely,

A handwritten signature in blue ink that reads "Gary Pursell".
