Dear Michael Flowers,

Non-Traceable Material Incorporated into Production Works

It has come to the Department's attention that Zhenhua Port Machinery Co. Ltd. (ZPMC) has not complied with the Department's Letter #1224 regarding the additional testing to re-establish traceability of approximately 500 tons of rolled shaped material. Please note that if ZPMC intends to incorporate this material into production work without the correct documentation showing it meets the contract requirements, this material will not be accepted.

If you have any questions, please call Stanley Ku @ +86 1391665205.

Sincerely,
