375 Burma Road
Oakland, CA 94607

Dear Michael Flowers,

Installation of the Time-Lapse Camera

In an ongoing effort to better document a project of this historical magnitude, the Department would like to install a time-lapse camera outside the northwest corner of Bay 11, Heavy Workshop, at the ZPMC Changxing Island Facility. The Department has procured all the necessary equipment and is ready for installation. The Department requests your assistance to coordinate installation and maintenance of the camera with ZPMC. Access to the camera, via man-lift, will be required on a bi-monthly basis to change memory cards. Your assistance in facilitation the historical documentation of the SAS project is greatly appreciated.

If you have any questions, please contact Ken Lee at 86 15821422546.

Sincerely,
