Subject: Kings County 2002 FTIP Amendment No. 4

Dear Mr. Abhijit:

On July 23, 2003, the Kings County Association of Governments (KCAG) Transportation Policy Committee approved Amendment No. 4 to the 2002 Kings County Federal Transportation Improvement Program (FTIP) with the adoption of the attached Resolution No. 03-14.

Amendment No. 4 of the 2002 Kings County FTIP includes a change to the Federal Transit Act (FTA) Section 5307 program with the addition of new projects, the Federal Transit Act (FTA) Section 5311 with the addition of funding for an existing project, and the Transportation Enhancement Activities (TEA) program with the deletion of an existing project.

This amendment will not increase capacity and will not affect the outcome of any regional emissions analysis nor will they add substance to this analysis. In accordance with the provisions of the MOU with the Council of Fresno County Governments (COFCG), COFCG has been asked to concur with this finding. Documentation from COFCG that satisfies this requirement will be forwarded when received. We have updated the California Transportation Improvement Program System (CTIPS) to reflect this amendment.

If you have any questions concerning this matter, please call me at your convenience at (559) 582-3211, ext. 2678.

Sincerely,

KINGS COUNTY ASSOCIATION OF GOVERNMENTS
