California Transportation Commission

Delivering Transportation
Projects in Tulare County

(very) Quick History

In 2006 The voters approved

1. Proposition 1B
2. Measure R in Tulare County
 - a. By 356 votes
 - b. 30 year Transportation Measure

What have we done for ten years?

Over 1 billion in Transportation Projects!

Thanks to our Member agencies and Partners!

1. CTC
2. Caltrans
3. FHWA/FTA
4. Member Agencies/Local Funds

Ten years later - We delivered!

SR-99 Projects:

- Six Lane Widening (Goshen to Kingsburg)
- Widening (Goshen to Visalia)
- Widening (Visalia to Tulare)
- Cartmill I/C - Tulare

Ten years later - We delivered!
Highway-Railroad Crossing Safety
Account

- 4 Projects in Tulare County
- All four are open to traffic

Ten years later - We delivered!

Highway-Railroad Crossing Safety Account

- 4 Projects in Tulare County

Goshen to Kingsburg - Tulare

Goshen to Kingsburg 6-Lane Tulare and Fresno County

Tulare Grade Separation Projects

UP RR Grade Separation - Tulare County

Cartmill Interchange - Tulare, CA

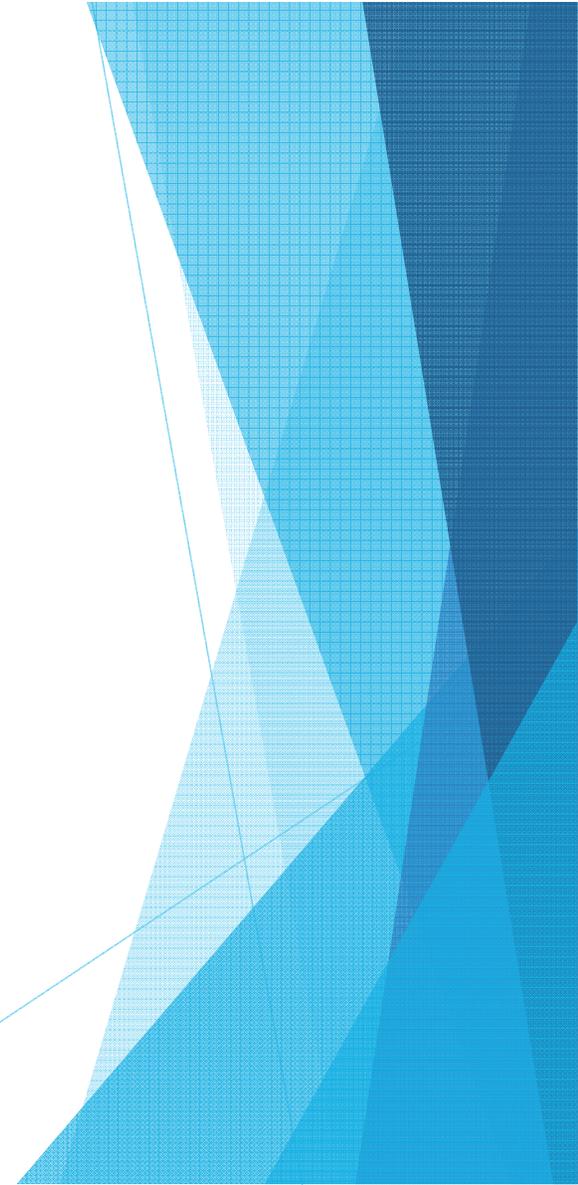

Stanislaus County

Two critical Interchange Projects on the SR-99 corridor

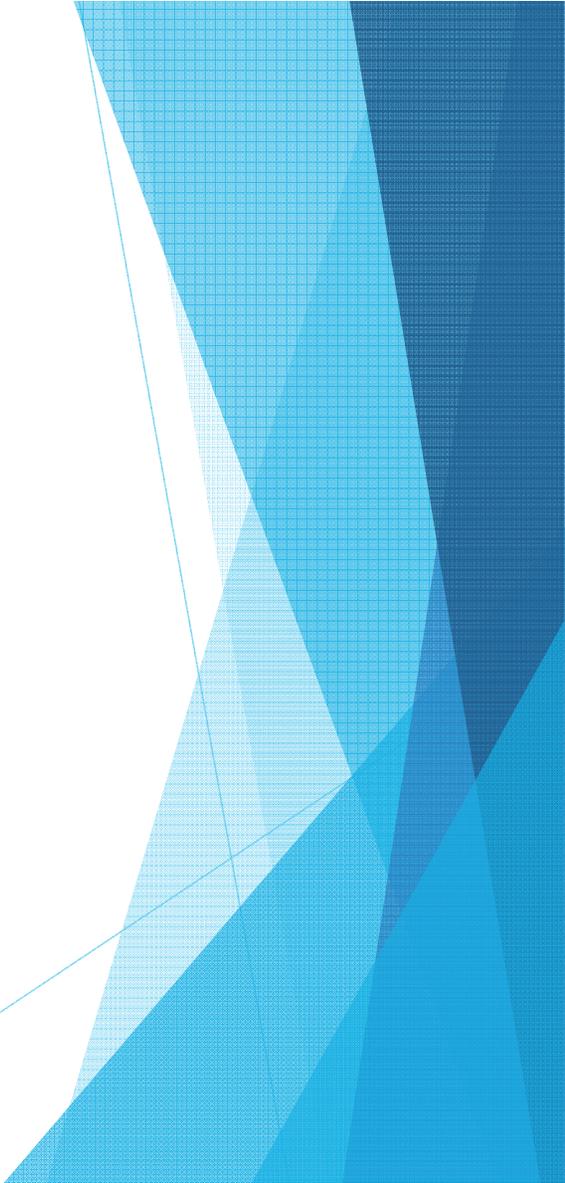

Will have a Self-Help Measure on the ballot

Working hard to deliver and be partner

SR-99/Pelandale I/C - Stanislaus

SR-99/Kiernan I/C - Stanislaus

In Summary (the Good News)

SR-99 Projects were delivered
More Rail-Road Grade Separation
Projects were delivered in the SJ
Valley than any other region!
The SJ Valley was a delivery
machine!

Now the Bad News!! In June the CTC was forced to cut 700+ million from the STIP

Over \$150 in SJ Valley projects deleted including SR-99 widening construction funds

In June 700+ million was cut from
the STIP

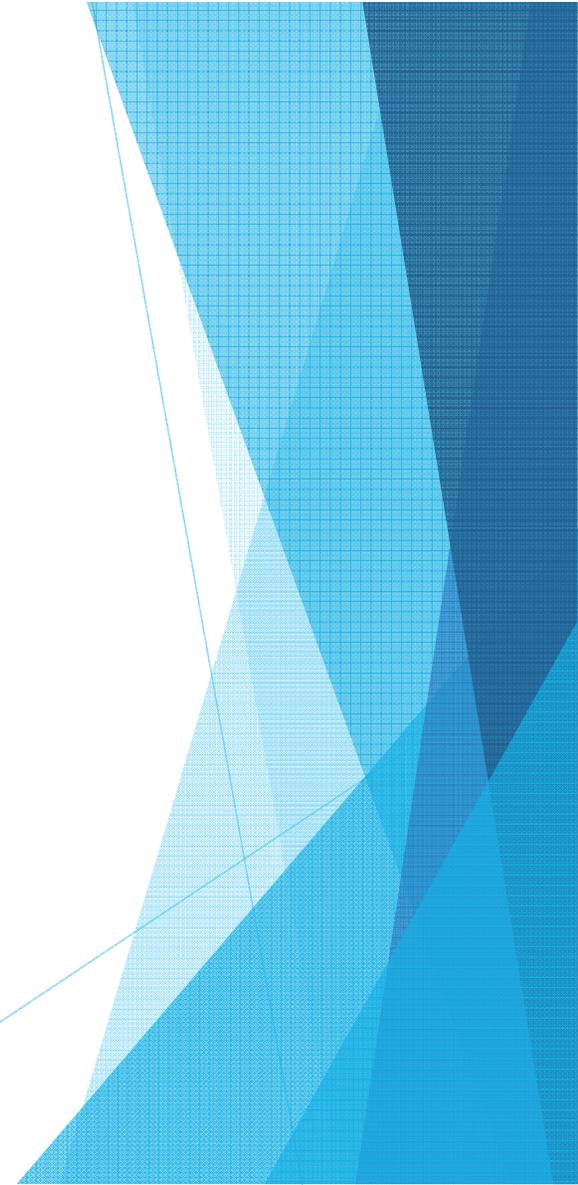

Tulare - SR-99 widening that is ready
to go

Thank you CTC for your efforts

CTC continues to ensure the message is heard that transportation needs more funding and a better process

Tulare County

We are ready to partner and hope and desire a for a solution to be developed for transportation
