Tonight’s Agenda

• Welcome and Introductions
• Overview of the SR-4 Wagon Trail Realignment Project
• Overview of the Process
• Community Outreach Process
• Questions and Answers
Project Team

- Project Team Members
  - Calaveras Council of Governments (CCOG)
  - Caltrans
  - RBF Consulting Team
Overview of the SR-4 Wagon Trail Realignment Project
Project Introduction

- SR-4 Improvements - Copperopolis to Angels Camp
  - Operational and Safety Improvements
  - Evaluation of Existing Alignment
  - Evaluation of Possible Alignments
Project Area
Management Approach for The SR-4 Wagon Trail Project
Overview of the Process

• **Phase 1**: Opportunities and Issues Identification

• **Phase 2**: Development of Project Alternatives

• **Phase 3**: Preparation of the Draft Project Report and Draft Environmental Document

• **Phase 4**: Adoption of Project Report and Environmental Documents

* This is an approximate schedule. The project team will provide schedule updates to the public when more information is available during the process.
Phase 1: Opportunities and Issues Identification

• Review existing information
  – Topography
  – Site visits
  – Drainage
  – Utility locations
  – Access points
  – Etc.
Phase 2: Development of Project Alternatives

- Development of potential corridors to accommodate the best alignment
- Quantm Design Software will analyze alternatives
Phase 3: Preparation of the Draft Project Report and Draft Environmental Document

- Detailed analysis of the corridors
- Technical studies to analyze and refine the probable corridors
- Public Hearings
- Selection of the preferred alternative
Phase 4: Adoption of Project Report and Environmental Documents

- Prepare Final Report
- Formal adoption of the Project Report and Environmental Documents by Caltrans
Project Deliverables

- Project Identification
  - Project Study Report (PSR)
    - Environmental Technical Studies
    - Public Outreach
  - Draft Environmental Document
    - Public Hearing
      - Selection of the Preferred Alternative
        - Final Environmental Document
        - Final Project Report
          - Geometric Approval
          - Prepare Construction Drawings
          - Advertise/Award Construction Contract
  - Draft Project Report
    - Engineering Studies
      - Bridge Type Selection
      - Right-of-Way Needs
Community Outreach Process
Outreach Overview

• Property Owners Meetings
• Focus Meeting (tonight)
• 4 community workshops
• Public Hearing
• 24-hour website for updates and downloads
• Comment cards
• Others
Community Involvement Principles

- Meaningful
- Inclusive & Accessible
- Transparent
- Educational
- Diverse
- Active Listening
- Encourages Dialogue
- Fun
Workshop Overview

• Community Meeting #1: Values, Opportunities and Issues Identification

• Community Meetings #2: Development of Project Alternatives
Workshop Overview

• Community Meeting #3: Development of the Refined Project Alternatives/NOP Scoping Meeting

• Community Meeting #4: Presentation of the Draft Project Report and Draft Environmental Documents
Workshop Overview

• Other workshops/meetings as necessary
