CALTRANS: ORANGE COUNTY MANAGED LANES NETWORK STUDY OPEN HOUSE TODAY

IRVINE – Caltrans (District 12) is hosting an Orange County Managed Lanes Network Study (MLNS) Public Open House today, Monday, September 12, 2016 at the Brookhurst Community Center, 2271 West Crescent Avenue, Anaheim CA from 6:00 pm to 8:00 p.m.

Public Open Houses are an extended effort to inform all of Orange County of how Caltrans recommends priority corridors for priced managed lanes.

During the Open House, Caltrans will discuss what managed lanes are, how they work and benefit your commute, in what ways they affect Orange County and the next steps for the study. All are invited to attend.

For more information about the department's activities, connect with Caltrans! <http://dot.ca.gov/d12> , <http://www.dot.ca.gov/socialmedia/>. Also, for safety tips on driving near work zones, go to <http://beworkzonealert.com/>.
