

# Construction Alert

## MAJOR DELAYS ON THE HIGHWAY 160 THREE MILE SLOUGH BRIDGE

Expect major delays of up to 60 minutes on Highway 160 due to crews **working around-the-clock** to preserve the Three Mile Slough Bridge just south of Highway 12 near Rio Vista. Work is scheduled to be completed in 2016.

The bridge will remain open under **one-way traffic control 24 hours, seven days a week**. Flaggers will be handling traffic control until a one-way traffic signal and camera are installed.

To **avoid delays**, daily motorists and commercial traffic are urged to **find alternate routes** or another mode of transportation.
