FOR IMMEDIATE RELEASE

Caltrans to Improve Ramps and Lighting on El Camino Real

Santa Clara County- The California Department of Transportation (Caltrans) will begin work to improve various intersections along State Route 82 (El Camino Real) at locations from Henderson Avenue to South Bernardo Avenue in Sunnyvale. The project will upgrade the existing highway drainage system and existing non-standard curb ramps and pedestrian passageways to ADA standards. Traffic signals in these intersections will be upgraded to current standards. In addition, the project will eliminate two traffic islands located at the intersection of SR-82 and Sunnyvale Saratoga / Sunnyvale Road to improve traffic safety.

Work will be conducted Monday through Friday, primarily during the daytime from 7:00 a.m. to 4 p.m. The project is expected to be completed in early December, 2016. Signs will be in place throughout the project corridor to assist motorists, pedestrians and bicyclists navigating the area.

For more information please contact: Bernard Walik at 510-286-5705 or email at: Bernard_Walik@dot.ca.gov
